LET'S GET TO KNOW KALI HAMMETT OWNER - ADDOX PAX MASSAGE

Hello! Massage therapy is my passion! I specialize in medical massage, chronic pain, and injury. I also offer Swedish, relaxation, pre-natal, and newborn massage. I work on children too and even an occasional dog or horse!! I have had the opportunity to do it all!

I have been doing massage for many years and have thoroughly enjoyed everything I have learned and the many people who have since become like family to me. I am very grateful for the skills and ability I have had to continue this wonderful profession for so many years! I grew up in Walsenburg and I am so excited to be back HOME, to be a part of this amazing growing town! I have so many friends and family members in the area and I can't wait to see you all! It has truly been a dream come true to come full circle and have my own children enjoy and love Southern Colorado as much as I do.
